WNTC Appoints Executive Board

WNTC, the campus radio station, has elected officers to its Executive Board for the coming year. Heading the staff next year as president will be Bob O'Brien, the station manager, John Dalphin; program director, Ron Koppel; technical director, Bill Cleverly; public relation manager, All Grupper; business manager, Leo Senis; and secretary, Ruth Bagshaw.

A programming poll is one of the first orders of business to be done by the new board. Soon, every person in the dormitories at State and Clarkson will be asked to fill out a questionnaire. This will be the student's chance to let WNTC know what kind of music and programming they have liked in the past, and what they would like to hear in the future. Be sure to take part when the poll is conducted. Coming soon!!
